DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, JUNE 21, 1912. No. 16.

TAFT WINS AGAIN

HADLEY'S MOTION TO SUBSTITUTE LOST, 606 TO 464.

FIGHT IS ON THE REPORT

Substitution of Minority for Majority Report Bone of Contention—Bolt Still Delayed.

Interest in the Republican convention remains at fever heat. Colonel Roosevelt's declaration that he would run if only a part of his delegates favored it created a mild sensation, although his attitude had been forecasted by his previous remarks. It is said that the more influential of his supporters are trying to prevent a bolt and some of them will not follow him if there is one. Two of the more important press dispatches sent out last night read as follows:

Chicago, June 20.—Some of the colonel's supporters urged their associates tonight to precipitate the crisis in the Republican national convention at the earliest opportunity tomorrow. More conservative counsel finally prevailed and it was decided there should be no "bolt" from the regular convention. It was the plan of the Roosevelt delegates tonight to make their last stand on the report of the credentials committee. If the seventy-eight delegates, claimed by them to be fraudulent, are seated the Roosevelt forces will remain in the convention until the end, but will not vote. It is their plan then to proceed to the nomination of the colonel in the Coliseum and claim regularity for him.

Chicago, June 20.—It was predicted late tonight that the nominating stage of the convention might not be reached until late Saturday. A wide latitude of debate is to be allowed in the convention tomorrow.

Special to The Democrat-Forum.

Chicago, Ill., June 21, 11:39 a. m.—Thousands of chairs are being placed in the First regiment armory and police protection asked, supposedly for a Roosevelt convention. Telegraph companies are preparing to handle news from the second convention.

Special to The Democrat-Forum.

Chicago, Ill. June 21.—Chairman Root called the convention to order at 12:30.

Report of committee on credentials on ninth Alabama district seating Taft delegates read to convention with statement of evidence heard.

Hadley calls for minority report. McCormick of Illinois says the committee gave the minority no chance to submit report. Chairman Root permits its presentation, not as a report, but as expression of views of minority. It explains why minority of fourteen voted in favor of Roosevelt contestant in ninth Alabama district.

Hadley moves substitution of minority for majority report, and submits written argument, which is read by McCormick of Illinois by unanimous consent.

Chair rules contested Alabama delegates may not vote on motion to table Hadley's resolution. All others may.

Hadley's motion to substitute minority report tabled by 606 to 464 nine not voting. Wisconsin and Idaho voted with Taft forces. Majority report adopted viva voce.

PIRATES WIN AGAIN.

Buccaneers Trounce Athletics by a 7 to 2 Count—McDougal Pitches Good Ball.

Standing of the Teams.

	Won.	Lost.	Pr.ct
Giants	2	1	.666
Athletics	2	2	.500
Pirates	2	2	.500
Cubs	1	2	.333

By beating the Athletics Thursday afternoon 7 to 2 the Pirate are tied with the "Macks" for second place and the Cubs share the basement all to themselves. With the exception of one inning, in which the Cubs did the ascension act, the game was a good one. Southpaw McDougal pitched for the victors and allowed but two hits. He probably would have registered a shutout had it not been for a little hard luck in the sixth frame. With runners on second and third, two men out and a weak hitter up, Catcher Taylor pegged to third to catch the runner. The ball bounced off the runner's shoulder, allowing both men to count.

The winners garnered six safe swats off "Dough" Miller's offerings, four of which figured in the scoring. Both Snipes and Prof. Lesh of the Pirates binged out hits with runners on second and third, each time scoring both teammates.

Ham, the lanky first sacker of the Cubs, pitched the last inning and put the enemy out in one, two, three order.

Although the Buccaneers lost the first two games of the schedule by lopsided scores, the kind of ball they have been putting up in the last two wins makes them look like pennant contenders.

WAS NOT HER BOY

ST. JOSEPH WOMAN DISAPPOINTED IN QUEST FOR SON.

HE WOULD GO WITH HER

Miller Offered to Accompany Woman if She Wanted Him, But Was Returned to Jail.

A mightily disappointed woman was Mrs. M. Pine of 1116 Highland avenue, St. Joseph, yesterday afternoon when she saw the man whom Sheriff Tilson took to that city Thursday morning in answer to the lady's request over long distance telephone.

Although her description of her lost feeble-minded son tallied in every detail to the man who calls himself John Miller, and who has been confined in the county jail since his capture near Hopkins more than a week ago, Mrs. Pine was certain on seeing him that the man was not her wayward boy.

Mrs. Pine, who is a quiet appearing, gentle old lady of about 60 years, told Mr. Tilson that her son left home four year ago this spring, and with the exception of a postal card written from a point in Oklahoma, she has never heard of him since.

He was 30 years old at the time of his disappearance.

After the interview with Mrs. Pine, Miller told Sheriff Tilson that he rather liked the appearance of the old lady.

"I'll go with her if she wants me," he said simply.

The sheriff returned to Maryville Thursday night with Miller, none the less disappointed than the anxious mother at not having gotten rid of his charge.

LECTURE BY DR. CURTIS.

Secretary of Playground Association to Speak at Normal Saturday.

Dr. Henry Curtis, secretary of the National Association of Playground Activities, will lecture Saturday at the State Normal school at 2 and 4 o'clock in the afternoon.

The second lecture will be followed by a playground demonstration.

Everybody in the community is cordially invited to hear this lecture without charge, which is certainly a great opportunity for our people, from the fact that Dr. Curtis is recognized as one of the nation's authorities, and has accomplished great success in his chosen line.

Everybody is asked to come promptly and not disturb the lecturer.

A Word on the Mill Tax Amendment.

On a trip yesterday in company with Messrs. J. H. Thorpe, G. W. Reavis and Charles Thorpe, the towns of Arkoe, Barnard, Bolckow, Rosendale and Savannah were visited. Over 100 names were secured to the initiative petition in Arkoe, Barnard and Bolckow, and only one man refused to sign the petition. No canvass was made in Rosendale and Savannah because arrangements had already been made in those towns for circulating the petitions. I hope that every voter in Nodaway county particularly will sign the petition for the following reasons:

First—The amendment is right and much needed.

Second—It will show that Nodaway county is in the lead in educational advancement.

Third—It will greatly help in establishing the reputation of our section over the state for progressive educational sentiment and enterprise.

Fourth—It will have a very wholesome effect upon all our educational efforts.

Petitions will be circulated in the next few days and I hope every voter will sign one of these petitions and thus help to secure a vote on a measure of great moment, and at the same time do a valuable work for his own section. I am, Very truly,

H. K. TAYLOR.

Mrs. Oliver Lewis and sons, James and Raymond, left the first of the week for a visit with Mrs. Lewis' parents, Mr. and Mrs. James McMilien of Loveland, Col.

Miss Lou Hughes came up from Maryville and spent Sunday at home. Miss Hughes is very pleasantly located with Mr. and Mrs. Hal Hooker, and likes her work at the Normal "just fine."

Miss Warren, a graduate of the Maryville high school, class of 1912, is visiting her relatives, the Warrens, and also her cousin, Miss June Anderson.

Mr. and Mrs. J. L. Downer received last Tuesday night, in honor of Mrs. Downer's son, Arch D. Martin, and his bride. A large company of friends called to pay their respects to the bride and congratulate Archie on the sensible step he had taken.

The house was decorated in pink and white, the lawn hung with Japanese lanterns, and the entire home looked beautiful in the soft moonlight. Mrs. Downer was assisted by Mrs. Fred Wooldridge, Mrs. C. E. Donlin, Mrs. Arthur McMaster, Miss Zora Pistole and Miss Edna Robb. Mr. and Mrs. Martin expect to make their home on a farm near here.

Thursday Mr. and Mrs. Arthur McMaster gave a delightful picnic party complimentary to Mr. and Mrs. Arch Martin.

The skating rink is the leading attraction in Hopkins just at present. We have had different kinds of amusement, but never anything that took the eye (and the dime) of the festive youth as does this rink. Situated in a large tent, just a block from the business part of town, conducted in an up-to-date manner by two very gentlemanly young men, it is indeed a very good place to let the children go for amusement and recreation. Both morning and afternoon sessions are pretty well taken up by the young people, but at night everybody attends, for you know it is so much fun, even if you don't skate yourself, to see some of your best friends "take a tumble." Thursday morning a "special session" was held after hours for the benefit of City Marshal Cabe Miller and J. W. Lindsay, but it would never do for us to tell what happened, for we would be sure to be arrested if we did.

HELLER FILES NEW PETITION FOR SALOON LICENSE.

ON NORTH MARKET ST.

Former Application Refused by Court and After Mandamus Had Failed Taken to Court of Appeals.

William A. Heller filed a petition and bond in County Clerk Demott's office Thursday afternoon for a license for a term of six months to operate a dramshop in the brick building located on North Market street between First and Second, formerly occupied by the Clarinda Poultry company. Moses Nusbaum and Edward Signs own the building.

The applicant states that he is not disqualified under any law of this state to receive a license to keep a dramshop, nor an agent or representative or partner with any person disqualified. Heller further states that he is not the agent, employee, or representative of any person engaged in the manufacture or sale of intoxicating liquors.

Some time ago Mr. Heller filed a petition for a license to run a saloon in the building formerly occupied by Adolph Lippman. The county court refused to grant the license, after which Heller brought mandamus proceedings against the court. The case came up before Judge Ellison last Wednesday, and the judge decided against the plaintiff. Heller immediately appealed the case to the Kansas City court of appeals.

James Todd, editor of The Democrat-Forum, and Attorney George Robb Ellison, who are in the Maryville party at the Chicago convention, will not return until the convention is over. Let's all pray that they will not imbibe any of the clamorous, rantankerous spirit that prevails in that Republican convention, and that they will return in full possession of that fine, splendid Democratic dignity that characterizes each of them. May the saints preserve 'em!—(Written by the society editor.)

In Maryville Next Tuesday and Wednesday

Mr. M. R. Bernay, One of the Most Remarkable of Modern Clairvoyants and the Most Expert Astrologer in the United State.

Office at 201 Buchanan Street, Corner of Fourth, Open From 10 A. M. to 9 P. M.

Prof. Bernay is the Clairvoyant who located J. W. Graham of St. Joseph, a young man, who had been missing two years. Mrs. Graham, the mother, consulted Mr. Bernay, who while in a clairvoyant condition stated that the man was an enlisted sailor on the Battleship Kearsarge and that he would be found there. Telegraphic inquiry confirmed the prediction.

Mr. Julius Daniel of Joplin is now a wealthy mine owner, but 2 years ago was working in a mine at $3.00 a day in that city. By mere accident he met Mr. Bernay, who pointed out an opportunity to him. Mr. Daniel acted upon the advice with the result that, as he writes in a letter of thanks to Mr. Bernay, "It started me on the road to success and in ten months was worth $18,000.00 to me."

Miss F. D. of St. Joseph consulted with Bernay after circumstances had broken up a dear friendsip between her and a prominent young professional man. In two weeks time through the clairvoyant's advice and help the trouble was settled and the friendship renewed with marriage as a near result.

John Emerson, a prosperous farmer living near Springfield, had buried his money in his backyard, having no faith in banks. He died on April 21, 1910, suddenly without having time to tell the family about this. When no money was found, a son consulted with Mr. Bernay and this resulted in the recovery of $4,200.00 and valuable papers.

Without asking a single question of his caller, Bernay reveals every important event in his client's life even to the meaning of them in full, showing them how to attain the success they desire in business, investments, speculation, love, courtship, marriage, divorce, lost or absent friends, lawsuits, fortunes, money affairs, health, wills, deeds or anything they may be in doubt about and all be assured of the proper advice and help.

Mr. Bernay may be consulted daily (except Sunday) from 10 a. m. to 9 p. m. Consultations $1.00 and $2.00 Everything strictly confidential.

SAYS DEMOCRATS WON'T SUPPORT HIM.

"If ten out of one thousand Democrats ever intended to vote for Roosevelt for president if they got the chance, the proportion certainly is not nearly so large as that now," declares W. H. Robinson, president of the Monroe club, in an interview in Friday's St. Joseph Gazette. It must be admitted that Mr. Robinson has facilities for knowing what he is talking about. "To tell the truth," Mr. Robinson continued, "I know of just one Democrat in all St. Joseph who says he intends to vote for Roosevelt if he is given the chance. It is a fact, too, that fewer will do so now than would have voted for him a week ago. I never in my life ever saw such a sudden revulsion of feeling toward a man as in this instance, nor toward any issue as the one Roosevelt has precipitated. By going down to Chicago he threw the spotlight upon all his pretensions and upon his imperfections as well, and thus precipitated the reaction that had to come sooner or later.

"It won't make any difference with the Democratic attitude toward Roosevelt how it goes down at Chicago—whether there is a split or whether the convention as organized nominates him. He is a dead duck so far as the Democrats are concerned. They no longer have any confidence in his political integrity or intentions.

"I cannot help believing that the situation spells a Democratic victory, no matter who is nominated at Baltimore. The few divisions in the Democratic party are neither deep nor wide, and they will be closed up instead of being widened as is the case at Chicago. I would not predict with any confidence who the nominee will be, but it is morally certain to be someone whom the party can unite upon, and it is certain that the result of the Chicago entanglement will not influence the choice at Baltimore directly or indirectly. Same as to the platform."

Mr. Robinson, who was a delegate to the national convention in 1900, and a Democratic elector nominee four years ago, leaves for Baltimore next Monday.

POLITICAL ANNOUNCEMENT.

We are authorized to announce Martin H. Borrusch of Polk township is a candidate for the nomination of sheriff of Nodaway county, subject to the decision of the Republican voters at the August primary.

Fishing Party and Luncheon.

Messrs. D. R. Eversole and R. W. Eversole of the firm of Eversole & Son, gave one of their delightful entertainments to their families and employes Thursday evening. Promptly at 6 o'clock three large automobiles drove up in front of the store and took the party to the 102 river on a fishing excursion. Two carriage loads had preceded the cars. The fishing was cut short by a heavy shower and the party come back to town and spent the remainder of the evening at the store.

The refreshments were served by the lady employes and Mrs. D. R. Eversole and Mrs. R. W. Eversole, and were as delicious and well served as a sumptuous banquet, and were thoroughly enjoyed by every one present. Then the tables were cleared and games were indulged in and a happy social hour followed. The rainy weather in no way spoiled the evening, except for the loss of the fish the young ladies had promised and the dampened ringlets of the fair ones. Miss Nelle Alkire caught the largest fish, but on account of the sudden, heavy shower was obliged to leave it on the hook in the river. Those present were Mr. and Mrs. D. R. Eversole, Mr. and Mrs. R. THIRD PARTY SEEMS CERTAIN

Plans Laid by Roosevelt Men and Approved by Colonel Himself.

WILL NOT BOLT CONVENTION

Delegates to Remain in Their Seats, But Not Vote, if Credentials Committee Approves Disputed Roll.

Chicago, June 21.—The nation is on the eve of the birth of a new party. It is to be the Progressive party. Theodore Roosevelt is to be its standard bearer.

Unless there should be a radical change of program in the next 12 hours the Roosevelt delegates will refuse to participate further in a convention dominated as they claim by crookedly seated delegates.

The word "unless" must be emphasized. Programs in the Chicago convention throughout have been liable to change without notice.

The truth is that the Roosevelt managers are constantly groping in the dark because of the lack of compactness of their forces. Like all conventions, this one is made up chiefly of professional politicians, and this is true on both sides. There are crusaders among the Roosevelt followers, men who have never attended a convention before and are battling for a cause.

Some Not Progressive.

This is especially the case with the delegations from California and Pennsylvania. But some of the delegates who are here under instructions for Roosevelt are not at heart Roosevelt men. They are politicians who have gone under the Roosevelt banner because it was the popular thing to do.

The conspicuous cases are those of Maryland and Illinois. In Maryland half of the delegates were instructed for Roosevelt at the state primary, but would like to see him beaten. There is a similar group in Illinois. Delegates of this sort have created the uncertainty in the Roosevelt camp.

So it has developed that one program after another has been determined on by the leaders, only to be abandoned later when they have found that they could not depend upon the support of many nominal Roosevelt delegates.

Taft Men Nervous, Too.

Plainly the Taft crowd, too, is nervous over many of its delegates. But they have the organization of experienced politicians at their back. The Taft margin as shown by the two roll calls is slender and the president's managers will breathe a long, deep sigh of relief if it sticks together at the final test.

While the plan here outlined has been approved by Roosevelt himself, his managers and caucus made up of two delegates from each of the Roosevelt delegations, it is subject to revision by the delegates themselves. The program now tentatively approved does not mean that the Roosevelt delegates will bolt; indeed, all thought of walking out has been abandoned. It means that after the report of the credentials committee, should that report approve the alleged stolen roll, and should it be adopted, the Roosevelt delegates will remain in their seats, but will not vote or take any further part in the proceedings.

It means further that probably Taft will be named by the voting remnant and that the nomination of Roosevelt will come from the new party.

Plan May Change.

At present that is the plan, but changes come quickly here, and it may be altered before its carry[illegible] begins.

[illegible] will be [illegible] progressive nominee, and progressive Republicans and Democrats alike will be called on to support him.

It is proposed that a national progressive convention shall be held in midsummer, to which delegates fresh from the people shall be sent.

These delegates, naturally, will be chosen without regard to party affiliation. All persons holding to the progressive principles for which Roosevelt stands would be invited to participate.

Over Old Party Lines.

The Roosevelt managers believe that a new progressive party would appeal strongly to Southern Democrats, who have been frightened at the word "Republican," and that as against Taft and almost any Democrat who could be nominated at Baltimore Roosevelt would win.

The feasibility of a bolt was urged by some and finally dismissed. Then a plan was suggested which had the approval of most of the conspicuous Roosevelt men who could be found.

Henry J. Allen of Kansas is the sponsor for it. Under this plan the Roosevelt delegates are to sit silent and have no part in the proceedings if defeated in purging the roll.

It was decided that Gov. Hadley, Roosevelt floor leader, should make the announcement from the Missouri delegation. Then on the roll call the clerk would call the state of Kansas and two votes for Taft would respond, with 18 not voting. The same plan would be observed down the line.

TAFT DELEGATES BEING SEATED

Credentials Committee Disposed of 26 Cases in Favor of President.

WORK IS PROCEEDING SLOWLY

Roosevelt Men Made No Protest Against 12 From Florida—Maximum Vote Was 15, Against Those From Arizona.

Chicago, June 21.—Working slowly through the list of contested delegates referred to it by the Republican national committee, the credentials committee had up to midnight seated 26 Taft delegates. That included 12 from Florida, against whom the Roosevelt men made no contest and who were seated unanimously.

Of the 72 contested delegates included in Gov. Hadley's list of those whom he claimed the national convention "unfairly" indorsed, the following have been approved by the credentials committee.

Results of Contests.

Contested States.	No. of Dels. Involved.	Taft Vote.	T. R Vote
Ninth Alabama	2	34	1
Arizona	6	33	15
Fifth Arkansas	2	31	11
Florida	12	**	..
Georgia at large	4	**	..

**Seated unanimously for Taft.

Taft delegates Seated, 26; Roosevelt, 6

A motion to seat all delegates in Arkansas except those in the fifth district carried, 34 ayes, no nays, 14 not voting. Later there was a question among the members as to what action was taken in the Arkansas case.

After 12 hours of work but three contests, the ninth Alabama, the Arizona state case, and the Arkansas cases had been disposed of. The committee determined to sit throughout the night, in an effort to finish by the time the convention resumed its sessions at 11 a. m.

Refused to Abandon Contests.

The cases disposed of showed the Roosevelt men to have a maximum strength of 15, the vote being 33 to 15, against the seating of the Arizona Roosevelt delegation.

After settling the Arizona case, in an effort to hasten the committee work, Jesse A. Tolerton of Missouri and Hugh T. Halbert of Minnesota offered a plan of the Roosevelt forces to abandon temporarily all other contests except those of California, Texas and Washington.

The Taft forces defeated this motion and maintained that the committee take up all contests in order.

It was expected that the Roosevelt forces would make no hard fight on any but the three states named.

Mr. Shackleford of Alaska made the motion to seat the Taft delegates from Arizona. Mr. Halbert of Minnesota made a substitute to seat the Roosevelt delegates.

HARDWOOD TREES FOR KANSAS

Work of U. S. Forest Reserve Promises to Make Great Change in Western Part of State.

Wichita, June 21.—The superintendent of the United States forest reserve south of Garden City has been carrying on extensive experiments this spring with the planting of hardwood trees. Already 120,000 hardwood seedlings have been set out and 75,000 more are in the transplant at the nursery, and will be set out next year. Besides 350,000 coniger seedlings are being started and will be transplanted next year and later set out in the reserve.

A year is saved in getting these trees started by soaking the seeds in warm water for an hour and rubbing off the outer fleshy coating of the seeds. The varieties planted included the honey locust, wild locust, ash, box elder, catalpa and Osage orange. The experiments have been successful and it is believed that the reserve in Kansas will produce hardwood trees in the future.

DE LAVAL CREAM SEPARATOR

More Than 1,375,000 in Use

The Machine By Which All Others Are Judged

For more than thirty years the De Laval cream separator has been acknowledged as the World's Standard.

You may hear it said of some separator that "It's as good as a De Laval;" or if some competing salesman wants to make his argument particularly strong, he'll say "It's better than a De Laval."

The concern with a cheaply and poorly constructed machine says "Just as good as a De Laval and costs less."

But everywhere the De Laval is recognized by experienced creamerymen and dairymen and even by makers of would-be competing machines as the World's Standard.

The cream separator is more frequently used than any other machine on the farm, and for that reason, if for no other, only the very best should be purchased, and that's the De Laval.

Easiest to turn, easiest to wash, skims the cleanest, lasts the longest.

CALLED BRYAN TO BALTIMORE

Democrats Wire for Leader After Naming Parker Chairman.

MANY CONTESTS BEING FILED

Convention at Baltimore May Yet Result in Scenes Similar to Chicago Gathering—26 in Illinois Dispute.

Baltimore, June 21.—The action of the committee on arrangements in electing Judge Alton B. Parker of New York temporary chairman of the Democratic national convention has served to draw a sharper line between the progressive and conservative elements of the party. Progressives under the leadership of Bryan will stand together against the New York man.

Moreover, leaders of the movements to nominate Speaker Champ Clark and Gov. Wilson decided that since an issue was raised between progressives and conservatives, they would come out for the progressives and put forward candidates against Judge Parker.

It was reported that a telegram had been sent to William J. Bryan asking that he come at once to Baltimore. Several national committeemen said they expected a fight by Mr. Bryan and his friends would be made on the floor of the convention against Parker.

Contest in Illinois.

Notification was filed with Urey Woodson, secretary of the national committee by Representative Henry T. Rainey of Illinois that contests would be made against the six delegates-at-large from Illinois and the first ten congressional districts, comprising the city of Chicago.

The contests are those of the so-called Heart-Harrison faction against the Sullivan faction. The fight probably will involve the seats of more delegates than any other that the national committee will be called upon to settle. Representative Rainey, after filing the contests, declared that the Sullivan delegates would be for Champ Clark for president on the first ballot, while the Heart-Harrison delegates were for Clark all the time.

Within a few minutes after the Illinois contests were filed, Secretary Woodson received notification by telegram from James E. Burke of Burlington, Vt., that he would contest the state and district delegates from Vermont.

Notification was also received that the Pettigrew faction in South Dakota would contest the Johnson delegates from that state.

CLARK MEN HOLD CONFERENCE

ENTHUSIASTIC FRIENDS PLEDGE MISSOURIAN 500 VOTES.

Delegates From 35 States Were Present—Speaker Thanks Gathering for Their Support.

Washington, June 21.—Half a hundred enthusiastic supporters of Speaker Champ Clark for the Democratic nomination for president held a long conference here at which the whole situation was canvassed. The result was a declaration of confidence in the selection of their candidate and a statement contending that he would have 500 delegates who would vote for him to the last.

There were present delegates from about 35 states, many of them chairmen of their respective delegations to the Baltimore convention. William R. Hearst, Senator Stone of Missouri, Senator Chilton of West Virginia, former Senator Dubois of Idaho, the Clark campaign manager, and Theodore Bell of California, were among the speaker's political advisers who joined in the conference.

Speaker Clark addressed those who attended the gathering, thanking them for supporting his candidacy. He said he confidently believed he would be the nominee at Baltimore.

The meeting was presided over by former Senator Dubois, who recited the result of the campaign so far. The various delegates told of conditions in their state.

The conference will be resumed in the morning.

TICKET SPECULATORS LOSING

PRICE OF PASTEBOARDS WENT WRONG WAY.

Many Who Bought Convention Seats at $15 Per Set, Expecting to Get Rich, Are Disappointed.

Chicago, June 21.—Because many counterfeit tickets are in circulation and the promises of personal encounters on the floor have not been up to the advance notices, the ticket speculators have been hard hit. Many of them are loaded up with tickets, for which they paid a uniform price of $15 a set. The market price of the pasteboards for the rest of the session has now dropped to $10, with very few takers.

Tuesday the galleries were filled with a crowd that believed the Roosevelt forces had planned to take possession of the platform by sheer weight of numbers, and after lynching a few of their opponents smash the steam roller into junk and run things their own way. But the proceedings were comparatively orderly. Probably the most exciting incident was the Hadley and Roosevelt demonstration, and many of the ticket holders did not witness this because they were unable to get to their seats, Chairman Root having ordered that those spectators who left the hall during the session should be forced to remain outside.

Charges that city officials and officers of the police were bringing unauthorized persons into the building were freely made. The method was to sell a piece of pasteboard to a man without a ticket. This he would present to a certain doorkeeper and walk into the hall. In an effort to check this procedure doorkeepers were transferred and frequently changed, but this action had little effect.

LED ROBBER INTO DEATH TRAP

Bank's Officers, Warned of Holdup Plans, Killed Leader of Band.

Thayer, Mo., June 21.—An attempt was made at noon to rob the Citizens' bank of Mammoth Springs, Ark., two miles south of here. The bank authorities were warned several days ago by two young men who were in the plot. Officers heavily armed were hid in the bank.

The two informants entered the bank with Ben Jones, who was to commit the robbery. Jones was disguised as an old man. Instead of going to the cashier's window, he passed behind the counter, drew a revolver and demanded the money. The assistant cashier, who is a woman, gave him two bags of silver and went into the vault.

The officers then opend fire on Jones, who returned the shots. He received numerous wounds, but staggered into the street, where he died.

After Announcing Himself in Favor of Women's Votes, Colonel Refuses to Join N. Y. Club.

New York, June 21.—Theodore Roosevelt has declined to join the New York Men's League for Woman Suffrage. Immediately after the recent announcement by Col. Roosevelt that he was for woman suffrage, the secretary of the league, Mr. Beadle, called at the ex-president's office and left a membership blank for him to sign. The secretary now has received his answer. It says that Col. Roosevelt "at the present time does not wish to avail himself of your kind offer."

DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, JUNE 21, 1912. No. 16.

TAFT WINS AGAIN

HADLEY'S MOTION TO SUBSTITUTE LOST, 606 TO 464.

FIGHT IS ON THE REPORT

Substitution of Minority for Majority Report Bone of Contention—Bolt Still Delayed.

Interest in the Republican convention remains at fever heat. Colonel Roosevelt's declaration that he would run if only a part of his delegates favored it created a mild sensation, although his attitude had been forecasted by his previous remarks. It is said that the more influential of his supporters are trying to prevent a bolt and some of them will not follow him if there is one. Two of the more important press dispatches sent out last night read as follows:

Chicago, June 20.—Some of the colonel's supporters urged their associates tonight to precipitate the crisis in the Republican national convention at the earliest opportunity tomorrow. More conservative counsel finally prevailed and it was decided there should be no "bolt" from the regular convention. It was the plan of the Roosevelt delegates tonight to make their last stand on the report of the credentials committee. If the seventy-eight delegates, claimed by them to be fraudulent, are seated the Roosevelt forces will remain in the convention until the end, but will not vote. It is their plan then to proceed to the nomination of the colonel in the Coliseum and claim regularity for him.

Chicago, June 20.—It was predicted late tonight that the nominating stage of the convention might not be reached until late Saturday. A wide latitude of debate is to be allowed in the convention tomorrow.

Special to The Democrat-Forum.

Chicago, Ill., June 21, 11:39 a. m.—Thousands of chairs are being placed in the First regiment armory and police protection asked, supposedly for a Roosevelt convention. Telegraph companies are preparing to handle news from the second convention.

Special to The Democrat-Forum.

Chicago, Ill. June 21.—Chairman Root called the convention to order at 12:30.

Report of committee on credentials on ninth Alabama district seating Taft delegates read to convention with statement of evidence heard.

Hadley calls for minority report. McCormick of Illinois says the committee gave the minority no chance to submit report. Chairman Root permits its presentation, not as a report, but as expression of views of minority. It explains why minority of fourteen voted in favor of Roosevelt contestant in ninth Alabama district.

Hadley moves substitution of minority for majority report, and submits written argument, which is read by McCormick of Illinois by unanimous consent.

Chair rules contested Alabama delegates may not vote on motion to table Hadley's resolution. All others may.

Hadley's motion to substitute minority report tabled by 606 to 464 nine not voting. Wisconsin and Idaho voted with Taft forces. Majority report adopted viva voce.

PIRATES WIN AGAIN.

Buccaneers Trounce Athletics by a 7 to 2 Count—McDougal Pitches Good Ball.

Standing of the Teams.

	Won.	Lost.	Pr.ct
Giants	2	1	.666
Athletics	2	2	.500
Pirates	2	2	.500
Cubs	1	2	.333

By beating the Athletics Thursday afternoon 7 to 2 the Pirate are tied with the "Macks" for second place and the Cubs share the basement all to themselves. With the exception of one inning, in which the Cubs did the ascension act, the game was a good one. Southpaw McDougal pitched for the victors and allowed but two hits. He probably would have registered a shutout had it not been for a little hard luck in the sixth frame. With runners on second and third, two men out and a weak hitter up, Catcher Taylor pegged to third to catch the runner. The ball bounced off the runner's shoulder, allowing both men to count.

The winners garnered six safe swats off "Dough" Miller's offerings, four of which figured in the scoring. Both Snipes and Prof. Lesh of the Pirates binged out hits with runners on second and third, each time scoring both teammates.

Ham, the lanky first sacker of the Cubs, pitched the last inning and put the enemy out in one, two, three order.

Although the Buccaneers lost the first two games of the schedule by lopsided scores, the kind of ball they have been putting up in the last two wins makes them look like pennant contenders.

WAS NOT HER BOY

ST. JOSEPH WOMAN DISAPPOINTED IN QUEST FOR SON.

HE WOULD GO WITH HER

Miller Offered to Accompany Woman if She Wanted Him, But Was Returned to Jail.

A mightily disappointed woman was Mrs. M. Pine of 1116 Highland avenue, St. Joseph, yesterday afternoon when she saw the man whom Sheriff Tilson took to that city Thursday morning in answer to the lady's request over long distance telephone.

Although her description of her lost feeble-minded son tallied in every detail to the man who calls himself John Miller, and who has been confined in the county jail since his capture near Hopkins more than a week ago, Mrs. Pine was certain on seeing him that the man was not her wayward boy.

Mrs. Pine, who is a quiet appearing, gentle old lady of about 60 years, told Mr. Tilson that her son left home four year ago this spring, and with the exception of a postal card written from a point in Oklahoma, she has never heard of him since.

He was 30 years old at the time of his disappearance.

After the interview with Mrs. Pine, Miller told Sheriff Tilson that he rather liked the appearance of the old lady.

"I'll go with her if she wants me," he said simply.

The sheriff returned to Maryville Thursday night with Miller, none the less disappointed than the anxious mother at not having gotten rid of his charge.

LECTURE BY DR. CURTIS.

Secretary of Playground Association to Speak at Normal Saturday.

Dr. Henry Curtis, secretary of the National Association of Playground Activities, will lecture Saturday at the State Normal school at 2 and 4 o'clock in the afternoon.

The second lecture will be followed by a playground demonstration.

Everybody in the community is cordially invited to hear this lecture without charge, which is certainly a great opportunity for our people, from the fact that Dr. Curtis is recognized as one of the nation's authorities, and has accomplished great success in his chosen line.

Everybody is asked to come promptly and not disturb the lecturer.

A Word on the Mill Tax Amendment.

On a trip yesterday in company with Messrs. J. H. Thorpe, G. W. Reavis and Charles Thorpe, the towns of Arkoe, Barnard, Bolckow, Rosendale and Savannah were visited. Over 100 names were secured to the initiative petition in Arkoe, Barnard and Bolckow, and only one man refused to sign the petition. No canvass was made in Rosendale and Savannah because arrangements had already been made in those towns for circulating the petitions. I hope that every voter in Nodaway county particularly will sign the petition for the following reasons:

First—The amendment is right and much needed.

Second—It will show that Nodaway county is in the lead in educational advancement.

Third—It will greatly help in establishing the reputation of our section over the state for progressive educational sentiment and enterprise.

Fourth—It will have a very wholesome effect upon all our educational efforts.

Petitions will be circulated in the next few days and I hope every voter will sign one of these petitions and thus help to secure a vote on a measure of great moment, and at the same time do a valuable work for his own section. I am, Very truly,

H. K. TAYLOR.

Mrs. D. D. Bollinger returned from a visit at Kansas City last week, and was accompanied by her granddaughter, Miss Aline Ewing, who will spend the summer here.

Mrs. Oliver Lewis and sons, James and Raymond, left the first of the week for a visit with Mrs. Lewis' parents, Mr. and Mrs. James McMillen of Loveland, Col.

Miss Lou Hughes came up from Maryville and spent Sunday at home. Miss Hughes is very pleasantly located with Mr. and Mrs. Hal Hooker, and likes her work at the Normal "just fine."

Miss Warren, a graduate of the Maryville high school, class of 1912, is visiting her relatives, the Warrens, and also her cousin, Miss June Anderson.

Mrs. Harold VanSteenbergh of Maryville is the guest of her friend Mildred Clare Wolfers.

E. C. Wolfers, Sr., and family went to St. Joseph Sunday in their car, returning Wednesday evening.

The regular meeting of the Art club was held at the home of Mrs. C. E. Donlin Thursday afternoon, with a good attendance. Dainty refreshments were served by the hostess, and a very pleasant afternoon was enjoyed by the club members present.

Mrs. H. C. Clutter is entertaining the members of the Salad club at her home in South Hopkins this afternoon.

Mr. and Mrs. J. L. Downer received last Tuesday night, in honor of Mrs. Downer's son, Arch D. Martin, and his bride. A large company of friends called to pay their respects to the bride and congratulate Archie on the sensible step he had taken.

The house was decorated in pink and white, the lawn hung with Japanese lanterns, and the entire home looked beautiful in the soft moonlight. Mrs. Downer was assisted by Mrs. Fred Wooldridge, Mrs. C. E. Donlin, Mrs. Arthur McMaster, Miss Zora Pistole and Miss Edna Robb. Mr. and Mrs. Martin expect to make their home on a farm near here.

Thursday Mr. and Mrs. Arthur McMaster gave a delightful picnic party complimentary to Mr. and Mrs. Arch Martin.

The skating rink is the leading attraction in Hopkins just at present. We have had different kinds of amusement, but never anything that took the eye (and the dime) of the festive youth as does this rink. Situated in a large tent, just a block from the business part of town, conducted in an up-to-date manner by two very gentlemanly young men, it is indeed a very good place to let the children go for amusement and recreation. Both morning and afternoon sessions are pretty well taken up by the young people, but at night everybody attends, for you know it is so much fun, even if you don't skate yourself, to see some of your best friends "take a tumble." Thursday morning a "special session" was held after hours for the benefit of City Marshal Cabe Miller and J. W. Lindsay, but it would never do for us to tell what happened, for we would be sure to be arrested if we did.

Visited Her Parents.

Mrs. W. B. Carter and son, Harland, of Lawrence, Kan., who have been visiting her parents, Mr. and Mrs. J. C. Farrar, living north of Maryville, left for their home Friday morning. Mr. and Mrs. Farrar have another daughter visiting them, Mrs. S. C. Young, and her daughters of Grangeville, Idaho.

HELLER FILES NEW PETITION FOR SALOON LICENSE.

ON NORTH MARKET ST.

Former Application Refused by Court and After Mandamus Had Failed Taken to Court of Appeals.

William A. Heller filed a petition and bond in County Clerk Demott's office Thursday afternoon for a license for a term of six months to operate a dramshop in the brick building located on North Market street between First and Second, formerly occupied by the Clarinda Poultry company. Moses Nusbaum and Edward Signs own the building.

The applicant states that he is not disqualified under any law of this state to receive a license to keep a dramshop, nor an agent or representative or partner with any person disqualified. Heller further states that he is not the agent, employee, or representative of any person engaged in the manufacture or sale of intoxicating liquors.

Some time ago Mr. Heller filed a petition for a license to run a saloon in the building formerly occupied by Adolph Lippman. The county court refused to grant the license, after which Heller brought mandamus proceedings against the court. The case came up before Judge Ellison last Wednesday, and the judge decided against the plaintiff. Heller immediately appealed the case to the Kansas City court of appeals.

BACK FROM CHICAGO.

Hosmer and Keck Arrived Friday Morning From Convention City.

R. P. Hosmer and Edward W. Keck returned Friday morning from Chicago, where they have been for several days taking in the awful Republican doings in progress in that city. Mr. Keck was accompanied to Chicago by his daughter, Elizabeth, who will remain there for the summer with her grandmother, Mrs. M. F. English.

James Todd, editor of The Democrat-Forum, and Attorney George Robb Ellison, who are in the Maryville party at the Chicago convention, will not return until the convention is over. Let's all pray that they will not imbibe any of the clamorous, rantankerous spirit that prevails in that Republican convention, and that they will return in full possession of that fine, splendid Democratic dignity that characterizes each of them. May the saints preserve 'em!—(Written by the society editor.)

In Maryville Next Tuesday and Wednesday

Mr. M. R. Bernay, One of the Most Remarkable of Modern Clairvoyants and the Most Expert Astrologer in the United State.

Office at 201 Buchanan Street, Corner of Fourth, Open From 10 A. M. to 9 P. M.

Prof. Bernay is the Clairvoyant who located J. W. Graham of St. Joseph, a young man, who had been missing two years. Mrs. Graham, the mother, consulted Mr. Bernay, who while in a clairvoyant condition stated that the man was an enlisted sailor on the Battleship Kearsarge and that he would be found there. Telegraphic inquiry confirmed the prediction.

Mr. Julius Daniel of Joplin is now a wealthy mine owner, but 2 years ago was working in a mine at $3.00 a day in that city. By mere accident he met Mr. Bernay, who pointed out an opportunity to him. Mr. Daniel acted upon the advice with the result that, as he writes in a letter of thanks to Mr. Bernay, "It started me on the road to success and in ten months was worth $18,000.00 to me."

Miss F. D. of St. Joseph consulted with Bernay after circumstances had broken up a dear friendsip between her and a prominent young professional man. In two weeks time through the clairvoyant's advice and help the trouble was settled and the friendship renewed with marriage as a near result.

John Emerson, a prosperous farmer living near Springfield, had buried his money in his backyard, having no faith in banks. He died on April 21, 1910, suddenly without having time to tell the family about this. When no money was found, a son consulted with Mr. Bernay and this resulted in the recovery of $4,200.00 and valuable papers.

Without asking a single question of his caller, Bernay reveals every important event in his client's life even to the meaning of them in full, showing them how to attain the success they desire in business, investments, speculation, love, courtship, marriage, divorce, lost or absent friends, lawsuits, fortunes, money affairs, health, wills, deeds or anything they may be in doubt about and all be assured of the proper advice and help.

Mr. Bernay may be consulted daily (except Sunday) from 10 a. m. to 9 p. m. Consultations $1.00 and $2.00 Everything strictly confidential.

SAYS DEMOCRATS WON'T SUPPORT HIM.

"If ten out of one thousand Democrats ever intended to vote for Roosevelt for president if they got the chance, the proportion certainly is not nearly so large as that now," declares W. H. Robinson, president of the Monroe club, in an interview in Friday's St. Joseph Gazette. It must be admitted that Mr. Robinson has facilities for knowing what he is talking about. "To tell the truth," Mr. Robinson continued, "I know of just one Democrat in all St. Joseph who says he intends to vote for Roosevelt if he is given the chance. It is a fact, too, that fewer will do so now than would have voted for him a week ago. I never in my life ever saw such a sudden revulsion of feeling toward a man as in this instance, nor toward any issue as the one Roosevelt has precipitated. By going down to Chicago he threw the spotlight upon all his pretensions and upon his imperfections as well, and thus precipitated the reaction that had to come sooner or later.

"It won't make any difference with the Democratic attitude toward Roosevelt how it goes down at Chicago—whether there is a split or whether the convention as organized nominates him. He is a dead duck so far as the Democrats are concerned. They no longer have any confidence in his political integrity or intentions.

"I cannot help believing that the situation spells a Democratic victory, no matter who is nominated at Baltimore. The few divisions in the Democratic party are neither deep nor wide, and they will be closed up instead of being widened as is the case at Chicago. I would not predict with any confidence who the nominee will be, but it is morally certain to be someone whom the party can unite upon, and it is certain that the result of the Chicago entanglement will not influence the choice at Baltimore directly or indirectly. Same as to the platform."

Mr. Robinson, who was a delegate to the national convention in 1900, and a Democratic elector nominee four years ago, leaves for Baltimore next Monday.

VERIFY IT.

The Proof is in Maryville Almost at Your Door.

The public statement of a Maryville citizen is in itself strong proof for Maryville people, but confirmation strengthens the evidence.

Here is a Maryville citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys, and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. Mary Wood, 722 East Jenkins street, Maryville Mo., says: "The public statements given by a member of our family on several occasions in favor of Doan's Kidney Pills were correct in every respect. We have Doan's Kidney Pills on hand all the time and use them whenever we find it necessary. We procured Doan's Kidney Pills at Love's drug store (now Love & Gaugh's drug store), and they brought great relief from kidney complaint."

THIRD PARTY SEEMS CERTAIN

Plans Laid by Roosevelt Men and Approved by Colonel Himself.

WILL NOT BOLT CONVENTION

Delegates to Remain in Their Seats, But Not Vote, if Credentials Committee Approves Disputed Roll.

Chicago, June 21.—The nation is on the eve of the birth of a new party. It is to be the Progressive party. Theodore Roosevelt is to be its standard bearer.

Unless there should be a radical change of program in the next 12 hours the Roosevelt delegates will refuse to participate further in a convention dominated as they claim by crookedly seated delegates.

The word "unless" must be emphasized. Programs in the Chicago convention throughout have been liable to change without notice.

The truth is that the Roosevelt managers are constantly groping in the dark because of the lack of compactness of their forces. Like all conventions, this one is made up chiefly of professional politicians, and this is true on both sides. There are crusaders among the Roosevelt followers, men who have never attended a convention before and are battling for a cause.

Some Not Progressive.

This is especially the case with the delegations from California and Pennsylvania. But some of the delegates who are here under instructions for Roosevelt are not at heart Roosevelt men. They are politicians who have gone under the Roosevelt banner because it was the popular thing to do.

The conspicuous cases are those of Maryland and Illinois. In Maryland half of the delegates were instructed for Roosevelt at the state primary, but would like to see him beaten. There is a similar group in Illinois. Delegates of this sort have created the uncertainty in the Roosevelt camp.

So it has developed that one program after another has been determined on by the leaders, only to be abandoned later when they have found that they could not depend upon the support of many nominal Roosevelt delegates.

Taft Men Nervous, Too.

Plainly the Taft crowd, too, is nervous over many of its delegates. But they have the organization of experienced politicians at their back. The Taft margin as shown by the two roll calls is slender and the president's managers will breathe a long, deep sigh of relief if it sticks together at the final test.

While the plan here outlined has been approved by Roosevelt himself, his managers and caucus made up of two delegates from each of the Roosevelt delegations, it is subject to revision by the delegates themselves. The program now tentatively approved does not mean that the Roosevelt delegates will bolt; indeed, all thought of walking out has been abandoned. It means that after the report of the credentials committee, should that report approve the alleged stolen roll, and should it be adopted, the Roosevelt delegates will remain in their seats, but will not vote or take any further part in the proceedings.

It means further that probably Taft will be named by the voting remnant and that the nomination of Roosevelt will come from the new party.

Plan May Change.

At present that is the plan, but changes come quickly here, and it may be altered before its carrying out begins.

[illegible] will be the progressive nominee, and progressive Republicans and Democrats alike will be called on to support him.

It is proposed that a national progressive convention shall be held in midsummer, to which delegates fresh from the people shall be sent.

These delegates, naturally, will be chosen without regard to party affiliation. All persons holding to the progressive principles for which Roosevelt stands would be invited to participate.

Over Old Party Lines.

The Roosevelt managers believe that a new progressive party would appeal strongly to Southern Democrats, who have been frightened at the word "Republican," and that as against Taft and almost any Democrat who could be nominated at Baltimore Roosevelt would win.

The feasibility of a bolt was urged by some and finally dismissed. Then a plan was suggested which had the approval of most of the conspicuous Roosevelt men who could be found.

Henry J. Allen of Kansas is the sponsor for it. Under this plan the Roosevelt delegates are to sit silent and have no part in the proceedings if defeated in purging the roll.

It was decided that Gov. Hadley, Roosevelt floor leader, should make the announcement from the Missouri delegation. Then on the roll call the clerk would call the state of Kansas and two votes for Taft would respond, with 18 not voting. The same plan would be observed down the line.

TAFT DELEGATES BEING SEATED

Credentials Committee Disposed of 26 Cases in Favor of President.

WORK IS PROCEEDING SLOWLY

Roosevelt Men Made No Protest Against 12 From Florida—Maximum Vote Was 15, Against Those From Arizona.

Chicago, June 21.—Working slowly through the list of contested delegates referred to it by the Republican national committee, the credentials committee had up to midnight seated 26 Taft delegates. That included 12 from Florida, against whom the Roosevelt men made no contest and who were seated unanimously.

Of the 72 contested delegates included in Gov. Hadley's list of those whom he claimed the national convention "unfairly" indorsed, the following have been approved by the credentials committee.

Results of Contests.

Contested States.	No. of Dels. Involved.	Taft Vote	T. R. Vote
Ninth Alabama	2	34	1
Arizona	6	33	15
Fifth Arkansas	2	31	11
Florida	12	**	..
Georgia at large	4	**	..

**Seated unanimously for Taft.

Taft delegates seated, 26; Roosevelt, 0

A motion to seat all delegates in Arkansas except those in the fifth district carried, 34 ayes, no nays, 14 not voting. Later there was a question among the members as to what action was taken in the Arkansas case.

After 12 hours of work but three contests, the ninth Alabama, the Arizona state case, and the Arkansas cases had been disposed of. The committee determined to sit throughout the night, in an effort to finish by the time the convention resumed its sessions at 11 a. m.

Refused to Abandon Contests.

The cases disposed of showed the Roosevelt men to have a maximum strength of 15, the vote being 33 to 15, against the seating of the Arizona Roosevelt delegation.

After settling the Arizona case, in an effort to hasten the committee work, Jesse A. Tolerton of Missouri and Hugh T. Halbert of Minnesota offered a plan of the Roosevelt forces to abandon temporarily all other contests except those of California, Texas and Washington.

The Taft forces defeated this motion and maintained that the committee take up all contests in order.

It was expected that the Roosevelt forces would make no hard fight on any but the three states named.

Mr. Shackleford of Alaska made the motion to seat the Taft delegates from Arizona. Mr. Halbert of Minnesota made a substitute to seat the Roosevelt delegates.

HARDWOOD TREES FOR KANSAS

Work of U. S. Forest Reserve Promises to Make Great Change in Western Part of State.

Wichita, June 21.—The superintendent of the United States forest reserve south of Garden City has been carrying on extensive experiments this spring with the planting of hardwood trees. Already 120,000 hardwood seedlings have been set out and 75,000 more are in the transplant at the nursery, and will be set out next year. Besides 350,000 coniger seedlings are being started and will be transplanted next year and later set out in the reserve.

A year is saved in getting these trees started by soaking the seeds in warm water for an hour and rubbing off the outer fleshy coating of the seeds. The varieties planted included the honey locust, wild locust, ash, box elder, catalpa and Osage orange. The experiments have been successful and it is believed that [illegible] Kansas will produce hardwood trees in the future.

DE LAVAL CREAM SEPARATOR

More Than 1,375,000 in Use

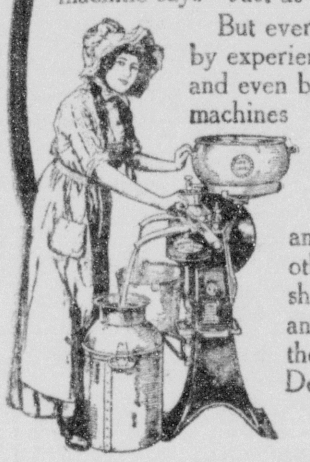
The Machine By Which All Others Are Judged

For more than thirty years the De Laval cream separator has been acknowledged as the World's Standard.

You may hear it said of some separator that "It's as good as a De Laval;" or if some competing salesman wants to make his argument particularly strong, he'll say "It's better than a De Laval."

The concern with a cheaply and poorly constructed machine says "Just as good as a De Laval and costs less."

But everywhere the De Laval is recognized by experienced creamerymen and dairymen and even by makers of would-be competing machines as the World's Standard.



The cream separator is more frequently used than any other machine on the farm, and for that reason, if for no other, only the very best should be purchased, and that's the De Laval.

Easiest to turn, easiest to wash, skims the cleanest, lasts the longest.

CALLED BRYAN TO BALTIMORE

Democrats Wire for Leader After Naming Parker Chairman.

MANY CONTESTS BEING FILED

Convention at Baltimore May Yet Result in Scenes Similar to Chicago Gathering—26 in Illinois Dispute.

Baltimore, June 21.—The action of the committee on arrangements in electing Judge Alton B. Parker of New York temporary chairman of the Democratic national convention has served to draw a sharper line between the progressive and conservative elements of the party. Progressives under the leadership of Bryan will stand together against the New York man.

Moreover, leaders of the movements to nominate Speaker Champ Clark and Gov. Wilson decided that since an issue was raised between progressives and conservatives, they would come out for the progressives and put forward candidates against Judge Parker.

It was reported that a telegram had been sent to William J. Bryan asking that he come at once to Baltimore. Several national committeemen said they expected a fight by Mr. Bryan and his friends would be made on the floor of the convention against Parker.

Contest in Illinois.

Notification was filed with Urey Woodson, secretary of the national committee by Representative Henry T. Rainey of Illinois that contests would be made against the six delegates-at-large from Illinois and the first ten congressional districts, comprising the city of Chicago.

The contests are those of the so-called Heart-Harrison faction against the Sullivan faction. The fight probably will involve the seats of more delegates than any other that the national committee will be called upon to settle. Representative Rainey, after filing the contests, declared that the Sullivan delegates would be for Champ Clark for president on the first ballot, while the Heart-Harrison delegates were for Clark all the time.

Within a few minutes after the Illinois contests were filed, Secretary Woodson received notification by telegram from James E. Burke of Burlington, Vt., that he would contest the state and district delegates from Vermont.

Notification was also received that the Pettigrew faction in South Dakota would contest the Johnson delegates from that state.

CLARK MEN HOLD CONFERENCE

ENTHUSIASTIC FRIENDS PLEDGE MISSOURIAN 500 VOTES.

Delegates From 35 States Were Present—Speaker Thanks Gathering for Their Support.

Washington, June 21.—Half a hundred enthusiastic supporters of Speaker Champ Clark for the Democratic nomination for president held a long conference here at which the whole situation was canvassed. The result was a declaration of confidence in the selection of their candidate and a statement contending that he would have 500 delegates who would vote for him to the last.

There were present delegates from about 35 states, many of them chairmen of their respective delegations to the Baltimore convention. William R. Hearst, Senator Stone of Missouri, Senator Chilton of West Virginia, former Senator Dubois of Idaho, the Clark campaign manager, and Theodore Bell of California, were among the speaker's political advisers who joined in the conference.

Speaker Clark addressed those who attended the gathering, thanking them for supporting his candidacy. He said he confidently believed he would be the nominee at Baltimore.

The meeting was presided over by former Senator Dubois, who recited the result of the campaign so far. The various delegates told of conditions in their state.

The conference will be resumed in the morning.

TICKET SPECULATORS LOSING

PRICE OF PASTEBOARDS WENT WRONG WAY.

Many Who Bought Convention Seats at $15 Per Set, Expecting to Get Rich, Are Disappointed.

Chicago, June 21.—Because many counterfeit tickets are in circulation and the promises of personal encounters on the floor have not been up to the advance notices, the ticket speculators have been hard hit. Many of them are loaded up with tickets, for which they paid a uniform price of $15 a set. The market price of the pasteboards for the rest of the session has now dropped to $10, with very few takers.

Tuesday the galleries were filled with a crowd that believed the Roosevelt forces had planned to take possession of the platform by sheer weight of numbers, and after lynching a few of their opponents smash the steam roller into junk and run things their own way. But the proceedings were comparatively orderly. Probably the most exciting incident was the Hadley and Roosevelt demonstration, and many of the ticket holders did not witness this because they were unable to get to their seats, Chairman Root having ordered that those spectators who left the hall during the session should be forced to remain outside.

Charges that city officials and officers of the police were bringing unauthorized persons into the building were freely made. The method was to sell a piece of pasteboard to a man without a ticket. This he would present to a certain doorkeeper and walk into the hall. In an effort to check this procedure doorkeepers were transferred and frequently changed, but this action had little effect.

LED ROBBER INTO DEATH TRAP

Bank's Officers, Warned of Holdup Plans, Killed Leader of Band.

Thayer, Mo., June 21.—An attempt was made at noon to rob the Citizens' bank of Mammoth Springs, Ark., two miles south of here. The bank authorities were warned several days ago by two young men who were in the plot. Officers heavily armed were hid in the bank.

The two informants entered the bank with Ben Jones, who was to commit the robbery. Jones was disguised as an old man. Instead of going to the cashier's window, he passed behind the counter, drew a revolver and demanded the money. The assistant cashier, who is a woman, gave him two bags of silver and went into the vault.

The officers then opend fire on Jones, who returned the shots. He received numerous wounds, but staggered into the street, where he died.

CALLED T. R.'S SUFFRAGE BLUFF

After Announcing Himself in Favor of Women's Votes, Colonel Refuses to Join N. Y. Club.

New York, June 21.—Theodore Roosevelt has declined to join the New York Men's League for Woman Suffrage. Immediately after the recent announcement by Col. Roosevelt that he was for woman suffrage, the secretary of the league, Mr. Beadle, called at the ex-president's office and left a membership blank for him to sign. The secretary now has received his answer. It says that Col. Roosevelt "at the present time does not wish to avail himself of your kind offer."
